Q6 Do you have any other comments, questions, or concerns?

Answered: 15 Skipped: 21

#	Responses	Date
1	The speed bumps are necessary until we as a community can provide safe sidewalks for our children to travel on or until we are able to have enough officers on duty to issue tickets for the problem.	5/12/2014 5:46 PM
2	Speed bumps do not deter motorists from speeding, it just entices them to go faster. Save the money from installing speed bumps and give it to the law enforcement so they can patrol the areas more.	5/12/2014 3:46 PM
3	Some of the teens think speed bumps are fun so they go really fast over them and don't slow down.	5/12/2014 3:40 PM
4	some people, if they see speed bumps will be idiots and drive faster so it's not safe for the children	5/12/2014 3:39 PM
5	Speed bumps only cause people to increase speed.	5/11/2014 4:32 PM
6	Speed bumps are needed along 8th Street. There are often as many as 10-12 children playing outside and vehicles drive down the street at a high rate of speed. We are concerned that someone is going to be hurt by someone being careless and driving too fast. The kids shouldn't be out in the street, but they often are.	5/10/2014 9:06 AM
7	Just a comment...I raised 3 kids on Hiway 50, parents need to teach kids about safety, there will always be cars driving too fast somewhere. Take responsibility for your children.	5/9/2014 10:24 PM
8	Stop signs	5/9/2014 5:25 PM
9	No speed bumps in front of Village	5/9/2014 2:45 PM
10	Speed Bumps only on North Side of the North Park	5/9/2014 2:11 PM
11	There is laws on the books, inforce the speed laws! Why is that so hard to do?	5/9/2014 12:42 PM
12	Need to have signs well ahead of the speed bumps	5/8/2014 12:29 PM
13	to much expense. Not enough need for them.	5/8/2014 11:47 AM
14	There are several other places in town that there are children at year round that would also benefit from these. I realize that it isn't always possible, but if some tickets were issued, it might help the issue. Sure, people are going to drive over the speed limit, but 45-50mph in a residential area is ridiculous! We are more concerned about a 70 in 60 ticket on the highway than someone speeding in town. Where are the children playing?	5/8/2014 11:15 AM
15	I think they should just put the speed bumps on 14th Street by the North Park.	5/8/2014 9:58 AM
