PREFACE

This Municipal Code of Pawnee City, Nebraska, 2020, contains all the ordinances of the Municipality of a general nature. Certain ordinances which are continued in force after this codification for the purpose of rights acquired, fines, penalties, forfeitures, liabilities incurred, and actions therefor have been omitted from this publication.

A Table of Contents appears after this page, and a complete index to the subject matter included in the several chapters and sections herein will be found at the beginning of this volume. Cross-references to the Statutes of Nebraska indicate the source and supplement the text.

The text of the Pawnee City Municipal Code, 2020, is arranged in the same manner as the Revised Statutes of Nebraska. The number preceding the hyphen is the chapter number; immediately following the hyphen is the article number; and following that is the section number.
